Malolactique :	No
Consultants :	Christian Sourdes (Laboratoire œnologique Sourdes Podensac)

Dégustation

To the eye	Beautiful clear vermilion color
On the nose	fragrant nose red berries with a slight minerality.
On the palate	The soft palate and bold, filled with aromas of ripe berries (redcurrants, blackcurrants), long stretches in the final sign of winemaking applied. A very neat and harmonious claret
